About Me

I am a resourceful, result-oriented individual who is looking to be an invaluable asset within a progressive organization. As a software developer, I am quick to adapt to new and changing technologies, equipped with a diverse and promising skill-set, proficient in various platforms within the Node.Js runtime. I am also able to effectively work independently on projects as well as collaborate as part of a productive team

SKILLS

Nodejs, Javascript, TypeScript, Expressjs, Nestjs, Reactjs, Postgresql, MongoDb, SCASS, Firebase
